Returning to school

Only to find

Changes that took  
place during the  
summer . . .

... And new  
people of  
many different  
kinds . . .

... Time  
marches  
forward and  
we spend it  
by ourselves ...

... Or with those  
whose company  
we enjoy . . .

The J.V. squad had a good season despite the showing of their season record (3-5-1). They played tough football and lost by close margins. As the weeks went on they chose different captains each week according to their performance in practice that week. This team was different from any other because there were many individuals who had to learn to play together as a team.

### Varsity Squad

The Varsity Cheerleaders began working long before school started this year by participating in cheerleading camp at University of Notre Dame. Captain Sally Jamieson won a talent ribbon for her mime routine, while senior Mickey Kaiser received a ribbon for gymnastics. Their hard work paid off as they led cheers at football and then basketball games. At the 2nd annual ice cream eating contest against Wyoming High School, our squad ate their way to a victory!

# Varsity Baseball Fashions Successful Season

Once again the Varsity Baseball Team spent spring training in Florida and as a result had an outstanding season with a 16-6 record. This year's captain was senior shortstop and ace hitter Don Kinney. According to Coach Norgrove this team was different from others because they were smarter, faster, more consistent and more mature than most. All Conference players were: Tim Carrel, designated hitter; Bob Ketteman, second base; and John Figueroa, outfield. Two new records were established: (1) season batting average .417 set by Bob Ketteman; (2) 11 double plays made during the season.

We're here, you're there,  
 We are you, yet you are you.  
 Us equals you.  
 Two equals three?  
 Now, shouldn't it be . . .  
 Us plus you equals us all?  
 That sounds better, two plus three equals five.  
 We are down here, you're up there,  
 Looks like a long climb to me!  
 You made it, so why shouldn't we?  
 Some of us will, some of us won't.  
 You know that, and unfortunately, so do we.  
 So explain the hassle.  
 We certainly look divided, young vs. old, or wise,  
 shall  
 we say,  
 But we must function as a group.  
 Open the door, here we come!  
 Hey don't box us in; we're free . . .  
 Let us breathe!  
 Let us out of the dark!  
 You're here, we're there,  
 We must mix!  
 Why? . . . Why not? . . .  
 You guided us, now we'll take over.  
 "We're moving down the path,  
 Watch out, trouble's brewing!"  
 Accent us, let us in.  
 We may be yours, but we are our own.  
 Give us a chance, we'll learn,  
 You educated us, so don't put us down!  
 You were us once, and we'll be you.  
 Thank you, that's better,  
 We'll do a good job, you just wait and see . . .

*The year has passed;  
And we are beginning to change and realize

Constant and yet strong; to be able  
To give with every gentle breeze . . .  
Growing and maturing  
Deciding what we're going to do  
When we get out of school.  
Setting examples and goals . . .  
But yet sticking with friends;  
And waiting to be a Senior.*

# ORGANIZATIONS

## Key Club Unlocks Active Year

This year's Key Club was the largest and most active Key Club in history. They sponsored Teacher Appreciation Week in October and collected over \$400 for Muscular Distrophy and West Michigan Poison Center.

# *N.H.S.* *Leadership, Scholarship,* *Service, Character*

This year National Honor Society had bake sales to raise money for the induction ceremony, and spent many hours rehearsing for the skits presented in this ceremony. They finished the year by giving the new members a pizza party.

## Art Club Draws Attention

This year the Art Club held its annual Christmas bazaar featuring paintings and decorations made by the members. Mrs. Chrisman advised the students in their projects and fund raising.

Nancy listens to bazaar plans.

## Los Restaurantes de Español

The Spanish Club was once again a success this year. Students enjoyed learning of Spanish customs, games, and life in general. The members went out regularly to local Mexican restaurants.

## *Varsity Club Attends Sporting Events*

Athletically minded, the Varsity Club attended three sporting events: a Detroit Tiger baseball game, a Pistons basketball game, and the Golden Glove finals. The club gained financial assistance to the school by remodeling the weight room and presenting the school with a marble sign with the school's name on it. This year's officers were President, Mark Poleman; Vice-President, Carl Paganelli; Secretary, Craig Williams; Treasurer, Tom Britten; Sergeant at Arms, Bob Ketterman.

The 1977-78 Close-Up

## Close-Up Flies to Washington

Close-Up prepared all year for their trip to Washington. To earn money they sold candy, mugs and sponsored a raffle. Finally on April 23, 15 students and Mr. Brown left from Kent County Airport for an exciting week in the nation's capital. Other events of the year included local and state political meetings.

# 'Hawk Talk:' Talk of School

"Hawk Talk" took on a new look this year, along with a few more students, when it became a formal class. Some improvements from previous editions were the use of a professional printing company, better organization, and a dedicated staff. Outstanding writers included Editor Randy Brown, Brian Hoogeveen, Nancy Farmer, Brian Uitvlugt, and Elizabeth DeJongh.

## *Ski Club Enjoys Heavy Snowfall*

The snow sure cooperated this year for Cannonsburg Ski Lodge and Rogers High School Ski Club. The club seventy-five strong went skiing almost every Thursday night from mid-December to the end of March. The annual trip up north was at Caberfae this year. The day was sunny and the snow and company were great.

## *WRHS Sounds Forth*

Once again the sounds of WRHS are heard during the "A" and "B" lunches. WRHS is located in the music department and run by Jay Angus, Larry Heibal, and Bruce Sommers.

## *Communications Career D.J.'s Goal*

Every Tuesday and Thursday night Randy Kuzawa and Mark Scherphorn are volunteer D.J.'s at channel "L," a designated government access channel. Both students are talented and have been working for about 8 months. They would like to continue in communications at the college they will attend next year.

# *Drama Club Presents "Sound of Music"*

Drama Club, a new organization at Rogers, was kept busy all year making plans for "The Sound of Music." Also during the year President Cathy Childs entertained the club at Christmas, and the group saw Barry Manilow in July.

## *Fellowship of Christian Athletes*

FCA, under the guidance of Mr. Barber and Mr. Leestma, worked to further the positive aspects of competitive sports in high school. Made up of both boy and girl athletes, the group enjoyed breakfast meetings together and also held a Super Bowl party.

## '78 Band Largest Yet

Under the direction of Mr. Jon VandenBroek, the band participated in such events as band festival, greeting Santa Claus, and dedicating the new Wyoming Library.

Also during the year, the band helped build school spirit by participating in many school activities.

From marching to concert band, the members proved that they were hard working and fun-loving.

"Expression"

Concert Choir

## *Music Makers at RHS*

This year the Choir put in many hard hours of practice for competition, and sold grapefruit and oranges to raise money for trips and music. The ensemble "Expression" performed at the Miss Wyoming Pageant, Godwin, and also sang in many rest homes. "Expression" consisted of a few select boys and girls who stole the show wherever they went.

## Freshmen

We were new,  
Nervous  
Even scared.  
We had broken the ties  
Of junior high  
And moved into an older world  
With no idea  
Of what to expect.  
Some of us  
outgrew old friends  
And old ways.  
Some didn't change at all  
Some immediately became  
Part of RHS  
Others took longer.  
But there's plenty of time  
For we have  
Three more years here  
And they couldn't be spent  
In a better place  
Or with better people

## *Graduation!*

June 7, 1978 . . . A hot and muggy night  
 . . . Nervous speakers . . . a crowded gym  
 . . . Anxious and excited Seniors . . .  
 Proud parents . . . Tossing of hats . . .  
 Parties all night . . . The GREAT class of  
 1978!

## Lair

Once again, a busy year of rushed deadlines, ruined pictures, and missing pages has passed for the Lair staff. I'd like to sincerely thank Mrs. Keur and our Taylor Publishing Company representative, Mr. Talsma for helping us overcome these seemingly impossible hurdles. The true dedication of the staff was often questioned but they pulled through to make the '78 book a success. As I relinquish my position as editor to Sandy Campbell, I wish her and all future yearbook staffs the best of luck.

Once again the year passed too quickly . . .

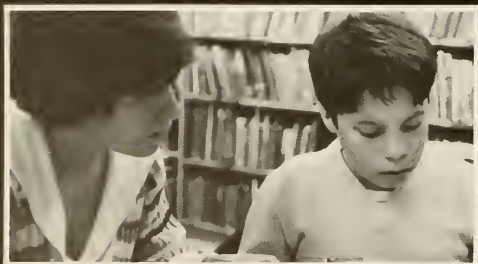

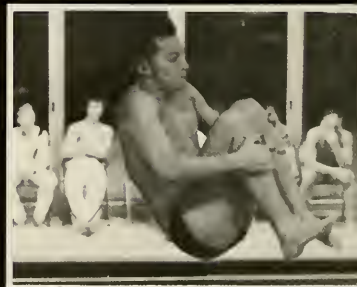

We'll remember  
the good times  
as well as the  
bad . . .

The happy times

As well as the sad . . .

We will always cherish the  
faces of our friends . . .

Captured memories . . .

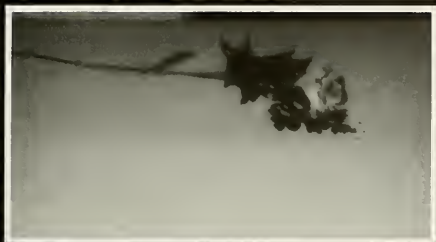

Times of working  
together . . .

And the joy of self expression . . .

This March, a dessert smorgasbord was held for the athletes involved in winter sports. As a special token, an athlete's mother purchased flowers for all of the Varsity coaches to express her appreciation for their efforts. We sincerely thank Mrs. Williams for this thoughtful gesture.

*Memories of the  
Way They Were . . .*

The faculty and students bid a fond adieu to J. Mike Bramble and William Waddell.

After 15 years of dedicated service as teacher and vice-principal, Mr. Bramble leaves to be Director of Business and Industry with Community Education.

Mr. Waddell has taught in the business department for 13 years and retires now from the teaching profession.

To both of these men we extend best wishes for a happy future.
